2. Compliance: If locked-in funds are transferred or will be transferred to the Plan, directly or indirectly, from an RPP, the additional provisions of this Addendum form part of the Declaration of Trust. In case of any inconsistency between this Addendum and the Declaration of Trust, this Addendum will apply. The Trustee will comply with all relevant provisions of Pension Legislation.

Subject to paragraphs 5, 6, 7, 9, 10, 12, 13, and 14 of this Addendum, all money, including all investment earnings, that is subject to any transfer to or from the Plan as defined by the Declaration of Trust, is to be used to provide or secure a pension that would, but for the transfer and previous transfers, if any, be required by the Act and Pension Legislation.

3. Transfers to the Plan. Only property representing locked-in funds originating directly or indirectly from an RPP, an LRSP, a LIF, a life annuity the capital of which originated from an RPP, or another source permitted by the Act and Pension Legislation from time to time, may be transferred to the Plan. The Trustee will not accept any transfers to the Plan from a source or in circumstances not permitted by Pension Legislation.

4. Investments. The investments held in the Plan must comply with the investment rules imposed by the Act for a registered retirement savings plan.

5. Withdrawals. Subject to paragraphs 6, 7, 9, 10, 11, 12, 13, and 14 of this Addendum, no withdrawal, commutation or surrender of property is permitted except where:

- (a) an amount is required to be paid to the Annuitant to reduce the amount of tax otherwise payable under Part X.1 of the Act in respect of this Plan; or
- (b) as may be permitted by the Act and Pension Legislation from time to time. Any such payment may only be made after the Trustee receives a waiver from the Spouse in the manner required by Pension Legislation.

Any transaction that is contrary to this paragraph is void.

6. Disability Payments. The property of the Plan may be withdrawn as a lump sum payment where the life expectancy of the Annuitant is likely to be shortened considerably due to mental or physical disability, as evidenced by the written opinion of a qualified medical practitioner.

7. Payments after Marriage Breakdown. The property of the Plan may be subject to division under family law and Pension Legislation. The Trustee will make a payment or payments out of the Plan to the extent and in the manner permitted or required by applicable law:

- (a) to effect a division of property, provided the payment is made pursuant to a court order, marriage contract or separation agreement under applicable marital property legislation; or

- (b) pursuant to an execution, seizure, attachment or other process of law in satisfaction of an order for support or maintenance.

8. Beneficiary Designation. The designation of a person other than the Annuitant's Spouse as the beneficiary of the Plan will not be valid if the Annuitant has a Spouse who is entitled to survivor benefits under the Plan because of Pension Legislation.

9. Death of Annuitant. Following the death of the Annuitant, the property of the Plan will be paid to the surviving Spouse of the Annuitant unless the surviving Spouse is not entitled to survivor benefits under Pension Legislation. The surviving Spouse may instruct the Trustee to transfer the property of the Plan to an LRSP, a LIF, an RLIF or life annuity as permitted by Pension Legislation and paragraph 60(l) of the Act.

If there is no surviving Spouse or the surviving Spouse waives spousal entitlement in the manner required by Pension Legislation, the property of the Plan will be paid to the person designated as beneficiary of the Plan, or if no such person has been designated, to the legal representative of the deceased Annuitant's estate.

10. Transfers from the Plan. Subject to any restrictions imposed by the Act, the property of the Plan may be transferred to the issuer of an RPP, an LRSP, a LIF, an RLIF, or a life annuity, including an equivalent vehicle governed by provincial pension legislation. Before transferring property of the Plan, the Trustee will:

- (a) write to the issuer of the recipient plan to notify it of the locked-in status of the property being transferred and the pension legislation that governs the property; and
- (b) not permit the transfer unless the issuer of the recipient plan agrees to administer the transferred property according to Pension Legislation.

If the Trustee does not comply with the above, and the issuer of the recipient plan fails to pay the money transferred in the form of a pension or in the manner required by Pension Legislation, the Trustee will provide or ensure the provision of the pension benefit credit equal to the pension benefit credit that was paid out.

11. Maturity. On or before December 31 of the year in which the Annuitant reaches age 71 (or such other date or age specified by the Act for commencement of a retirement income), the property of the Plan may be:

- (a) used to purchase an immediate life annuity that conforms with subsection 146(1) of the Act and Pension Legislation;
- (b) transferred to a LIF; or
- (c) transferred to an RLIF.

If the Annuitant fails to provide satisfactory written instructions to the Trustee by December 31 of that year, the Trustee shall transfer the property of the Plan into a LIF opened and registered by the Trustee for such purpose in the name of the Annuitant. It is the sole responsibility of the Annuitant to ensure that any such property is a qualified investment for a LIF and to convert any unqualified investment into cash. Upon transfer of such property or cash to the LIF:

- (a) if the Annuitant has a Spouse, the Spouse will be the beneficiary upon the Annuitant's death; otherwise, the Annuitant shall be deemed not to have elected to designate any beneficiary upon death; and

- (b) the Annuitant shall be subject to all the terms and conditions of the LIF as stated in the documents pertaining thereto as if the Annuitant had at that time instructed the Trustee to purchase the LIF and had signed the appropriate documents to effect such transfer, and had refrained from making the designation referred to herein.

12. Life Annuity. In addition to the rules imposed by the Act, a life annuity purchased with the property of the Plan must comply with Pension Legislation and must be established for the Annuitant's life. However, if the Annuitant has a Spouse on the date payments under the life annuity begin, the life annuity must be established for the lives jointly of the Annuitant and the Annuitant's Spouse, unless the Annuitant and the Spouse has provided a waiver in the manner required by Pension Legislation. Where the surviving Spouse is entitled to payments under the life annuity after the Annuitant's death, those payments must be at least 60 percent of the amount to which the Annuitant was entitled prior to the Annuitant's death. The life annuity may not differentiate based on gender except to the extent permitted by Pension Legislation.

13. Option to Withdraw Small Balances. The Annuitant may apply to the Trustee for a lump sum payment or for a transfer to a registered retirement savings plan or registered retirement income fund, equal to the value of the entire contract if the Annuitant is at least 55 years old and the value of the Annuitant's assets in all LRSPs, RLSPs, LIFs, and

RLIFs governed by Pension Legislation is less than 50 percent of the year's maximum pensionable earnings under the Canada Pension Plan for that calendar year.

Such application by the Annuitant must be in the form and manner required by Pension Legislation, and, if the Annuitant has a Spouse on the date the Annuitant signs the application, must be accompanied by a waiver by the Spouse, in the form and manner required by Pension Legislation.

- 14. Option to Withdraw Due to Financial Hardship.** The Annuitant who meets one or both of the conditions for financial hardship set forth below may apply for a lump sum payment an amount up to 50% of YMPE from any combination of LRSPs, LIFs, RLSPs or RLIFs subject to Pension Legislation, within a calendar year, provided all withdrawals are done within 30 days.

Condition 1 – Medical or disability related expenditures: If the Annuitant expects to make expenditures of more than 20% of their income in any given calendar year upon medical treatment or upon assistive technology or other expenditures related to a condition or disability as attested to by a licensed Canadian physician, the Annuitant may withdraw the total amount of their expenditures in any given calendar year, subject to a maximum of 50% of YMPE.

Condition 2 – Low Income: If the Annuitant expects to earn less than the low income limit of 75% of YMPE, the Annuitant may withdraw an amount based upon the expected income in any given calendar year, subject to a maximum permitted withdrawal calculated as 50% YMPE less 2/3rds of expected income for the year less any financial hardship withdrawals.

Withdrawals based upon financial hardship are permitted if the Annuitant meets both of the above conditions, but the total permitted withdrawals for any given year, regardless of reason, may not exceed 50% of YMPE.

Such application by the Annuitant must be in the form and manner required by Pension Legislation, and, if the Annuitant has a Spouse on the date the Annuitant signs the application, must be accompanied by a waiver by the Spouse, in the form and manner required by Pension Legislation.

- 15. Option to Withdraw due to Non-Residency (Permanent Departure from Canada).**

The Annuitant may apply to the Trustee for a lump sum withdrawal if the Annuitant has moved away from Canada permanently and has been absent from Canada for at least 2 years. The Annuitant must provide written evidence that Canada Revenue Agency has determined that the Annuitant has become a non-resident for the purposes of the Act.

Such application by the Annuitant must be in the form and manner required by Pension Legislation, and, if the Annuitant has a Spouse on the date the Annuitant signs the application, must be accompanied by a waiver by the Spouse, in the form and manner required by Pension Legislation.

- 16. Payments or Transfers Contrary to Pension Legislation.** If property is transferred or paid out of the Plan contrary to Pension Legislation, the Trustee will provide or ensure the provision of a pension benefit credit equal to the amount of the pension benefit credit that was paid out.

- 17. Prohibition.** The property of the Plan may not be assigned, charged, alienated, anticipated or given as security or subjected to execution, seizure or attachment, except as permitted by Pension Legislation. A transaction that is contrary to this paragraph is void.

- 18. Amendments.** From time to time, the Trustee may amend the Declaration of Trust (including this Addendum), if the amendment does not disqualify the Plan as a LRSP and if the amendment is filed with and approved by Canada Revenue Agency and applicable provincial authorities. The Trustee will provide the Annuitant with 90 days written notice (including notice of the Annuitant's entitlement to transfer the property out of the Plan) of any amendment that reduces benefits under the Plan.

IN WITNESS WHEREOF the parties have hereto read and executed this Addendum as of the date written below and shall bind the Trustee, its agents and the Annuitant and their respective successors and assigns effective from the date of transfer.
